

WHAT WE'RE LEARNING:

Main Objective:

The main objective for the JAMZ series is simply worship. Our goal is to help students understand why we worship and grow their love for worship.

Week 1:

Fill Your Jar of Jamz, is all about filling our jars with thanksgiving. We will be learning about Joshua building up memorial stones for what God had done, in Joshua chapter 4. We will also be listing all the things we're thankful for, in all the different areas of our lives.

Week 2:

Carry Your Jar of Jamz! After we fill up our jar with thanksgiving, next is taking those thanks to God. In Matthew 26, we learn from the woman and her alabaster jar, how to bring our best to God in worship. This week we will be bringing the jars we filled to the stage and thanking God for all he does for us.

Week 3:

Open Your Jar of Jamz is next in the Jamz series. After we have listed our thanks and brought them to God; we now need to understand how our posture affects our worship. We will hear several stories in the Bible about people worshiping in different ways. Rather they reached their hands toward God, kneeled before him, stood straight up in honor of him... the Holy Spirit helped guide their postures in worship.

Week 4:

Lastly, we will learn how to Spill Your Jar of Jamz out into the world. Pastor Jonathan will tell the story of Paul and Silas being put in jail for doing God's work. While in jail they began to worship, which caused several amazing events to take place, including the jailor himself being saved. So, we learn to carry that jar of thanksgiving everywhere we go and spill it out onto other people as Paul did.

BIG IDEA:

FILL IT UP & SPILL IT OUT!
