

LEVEL UP

What we are learning:

This Level Up series is all about having courage as we “Level Up” or grow in life.

Week 1:

In week one of Level Up, we will hear all about how Joshua and Caleb’s courage as they spied out the promised land for Moses. God told Moses to choose 12 men from the 12 tribes of Israel, to check out the new land and report back what they saw. Joshua and Caleb had faith God would help them conquer the land, as he had done before. However, the other 10 men did not have faith and were so scared they began spreading lies. This week in small groups, we will be playing a whole group Mario game! As we earn points, defeat each level, and conquer the World of the week; we will review our Bible story as well as put our speed to the test in a few physical challenges.

Week 2:

In week two of our Level Up series, we will continue our journey with Joshua, learning of his courage and faith in the Lord. We will pay close attention to how God purposefully placed Rehab in Joshua’s path, to help him defeat Jericho. Rehab hid Joshua and his men on her roof because she had heard of the great things God was doing through the Israelite nation. God places people in our lives all the time, to help us grow, learn, and conquer. This week in small groups, we will be playing a whole group Mario game! As we earn points, defeat each level, and conquer the World of the week; we will review our Bible story as well as put our speed to the test in a few physical challenges.

Week 3:

Next on our journey with Joshua, we’ll once again see his faith in the Lord, as the Lord helped the Israelites cross the Jordan River. At this time of the year, the Jordan River was huge and flooding over. Yet as soon as the priests stepped close to the river, carrying the Ark of the Covenant, the floodwaters completely stopped. Joshua then instructed 12 Israelite men to grab stones and stack them up on the other side of the river, as a memorial of what God had done for them. This week in small groups, we will be playing a whole group Mario game! As we earn points, defeat each level, and conquer the World of the week; we will review our Bible story as well as put our speed to the test in a few physical challenges.

Week 4:

As we reach the end of our journey with Joshua, we will continue to be astounded by Joshua’s faith! As Joshua confronts the Amorites, he immediately prays for help, knowing only God could deliver them from this situation. When he prays, he asks God to keep the sun still and make the day go on and on. So God did exactly that and the Israelites fight the Amorites until they are worn out and exhausted! This week in small groups, we will be playing a whole group Mario game! As we earn points, defeat each level, and conquer the World of the week; we will review our Bible story as well as put our speed to the test in a few physical challenges.
