

LEVEL UP

LEVEL 4: JOSHUA, THE FINAL BOSS

BTV: JOSHUA 1:9

BIG IDEA: LEVEL UP!

1ST - 2ND

STEP ONE: INTRODUCE EVERYONE

1. "Hello!" -- "How is school going?" -- "Did anyone have something exciting happen this week?"

2. Go in a circle and have everyone introduce themselves

3. Go over the Big Idea and the Bible Table Verse

STEP TWO: ACTIVITIES

Grades 1st & 2nd:

Supplies: Whiteboard, marker, and prizes.

• In this series, we will be playing a LIVE Mario-style game! The ProPresenter slides on the big screen will guide you and your small group through trivia questions and physical challenges. There are four Worlds to master, one for each week of the series, and four levels per World.

• Each level mastered will be accompanied by a particular prize, which will stay the same throughout the series.

Level 1: Zone Bucks

Level 2: Stickers

Level 3: Candy

Level 4: Temporary Tattoos

• How to win a level:

-When a question pops up on the screen, your small group must have the correct and complete answer written on your whiteboard. You also must finish writing your answer before the timer is up! If you get the answer correct and in time, your group wins the prize for that level.

-If a physical challenge of finding a particular game piece pops up, you must send **ONE** representative to find the game piece for your small group. If they find the game piece before your time is up, your group wins the prize for that level.

• Prize Station:

There will be a prize station in every Zone room. If your team defeats a level, you can either: send **ONE** representative to collect your group's prize after each level **OR** you may record the levels you defeated on your whiteboard and collect all your prizes at the end. Follow your campus coordinator's decision of what works best in your environment.

Sit back, follow along with the big screen, and help your group conquer the message of this series!

STEP THREE: PRAYER

Dear Lord,

Thank you for helping us have faith in tough situations like you did for Joshua. Help us to continue to learn from your word how to have faith and rely on you!

In your son Jesus' name I pray, amen.

EARLY FINISHERS

If you finish early, you could:

1. Collect your group's prizes.
2. Memorize the BTV together.
